Roll
and/or
Frame
Number

Use separate envelopes for color and B&W film.
Fill in total number of rolls in space at top.
Number each roll on the leader or cassette.
Key captions and processing to roll numbers.

COMPLETE CAPTIONS should be typed on face of envelope.
Longer captions should be typed on separate sheet and placed
in envelope with press releases and other information. Point
out important frames we should look for. When rewinding film
please leave leader out of cassette and put roll number and
processing instructions on leader.
